

**AMENDMENTS TO THE TITLE:**

In the patent under reissue, please cancel the original title, and substitute the following new title:

MANUAL ADJACENCIES ALTERNATE ROUTING

**AMENDMENTS TO THE SPECIFICATION:**

In the patent under reissue, in col. 1, please amend the last paragraph, as follows:

The IS-IS routeing protocol has two routeing levels, Level-1 and Level-2. See ~~FIG. 2 (from ISO 10589)~~ see figure 2 from the ISO 10589 document referenced below for the use of these levels and the general environment of this protocol.
